Girls Rock Band Class

With Instructor Cheryl Lawson
October 1-November 19, 2009
Thursdays 6-7pm

\$50 for all enrolled World Music Company students.

\$135 for any non-enrolled World Music Company students.

World Music Company offers students an intensive, exciting opportunity to join an rock band a learn how to rehearse and perform together under the guidance of our rock clinicians Cheryl Lawson and Doug Summer.

During the session students will work together to write songs and develop their skills as performing musicians. The session culminates in a performance for family and friends in our concert hall with professional equipment and sound engineers. This is a wonderful opportunity to develop as a performer and learn the ropes of what it takes to perform as a professional band. **One year of playing or teacher's discretion is required.** Check online for last season's Rock Band footage.

Infant and Toddler Class

8 week session \$90

Our most popular class! An energetic, interactive class for parent/caregiver and child, ages 6 months through 3 1/2 yrs. Sing-along greeting to each child, singing stories, finger plays, lap songs, movement and dancing, rhythm instruments, and a chance to play the instructor's instrument each week. Research shows music participation is a brain booster for the young child. **Start your session whenever you want!**

Creative Music for Children With Special Needs

Saturday Mornings 11:00am No Charge

Creative Music for Children with Special Needs, led by Suzanne O'Shea, is an opportunity for children to express themselves through music. The class, which has been meeting for 7 years, combines instrument playing, singing and creative movement for children of many abilities and their families. Donations are graciously accepted. This is an ongoing class. Feel free to drop in any Saturday!

Rhythm Band Class

8 week session \$90 Wednesdays 4:30pm (3-6yrs)

This class is led by Professor Becker, a long time musician and primary level school teacher. Professor Becker leads the kids in playing various rhythm instruments such as maracas, tambourines, egg shakers, long drums, djembes (from Africa), triangles, chimes, and more. The growing musicians also sing, clap, stamp, dance, march, make up song verses, and "jam" while Professor Becker plays his guitar. **Start whenever you want!**

Friday Open Mic Nites

We have open mics on the first, second, third, and fourth Fridays of every month. The **first Friday is Electric Open Mic**. The Electric nite is for electronic instruments and combos. Acoustic music is ok. We don't

necessarily want to make rules about the music, but this is the night when you can really kick it and get loud! The **second and fourth Fridays are acoustic nites**. You can play a rock style of music if you want, we just like to keep it down on these nites, and accommodate those players who come out and treat us to classical and finger style jazz, etc. The **third Friday is Rock Band nite**. We host up to three local bands from 7-10pm. All of our open mics feature potluck, and your contributions are appreciated. Cover is only \$4. Check out the Southside's best talent.

Jazz Wednesdays The Beverly All Stars

Enjoy Classic Jazz with the Beverly All Stars every Wednesday night at

7:30pm. Relax with friends or lovers in our jazz club atmosphere set with candle lit tables. Musicians are invited to sit in during the second set. \$3 cover charge
